JOHAN VAN WYK

This month we feature our Director of New Business, Johan van Wyk.

Johan was born in Rustenburg and schooled at Laerskool Vastrap and Hoërskool Bergsig, before leaving for Pretoria to complete his BCom degree at Tukkies.

He partook and excelled at various activities at school, but upon reflection, none brings him more pride than the afro he managed to grow, pictured above, in only one holiday during the 9th grade!

Johan joined Twin City in 2013, and with a background ranging from big corporate to selling pumps in the mining sector, he has unsurprisingly functioned as Head of Finance, Tenant Coordinator and Director of New Business since; ready to add value wherever he is asked to serve.

His typical day is spent in the air, on the road, on the phone or underneath a tree negotiating the next deal. His most fulfilling moment at Twin City is described as the successful resolution meeting held at Paledi Mall, where the support from both the community and our support to them was made tangible.

QUESTIONS ASKED MOST OFTEN

Johan, I have this problem...his restorative nature makes it quite difficult for the man to say no when help is needed

THE MOST ENJOYABLE ASPECT OF YOUR JOB

Every day is different: the only consistency is inconsistency

FUN FACT / HIDDEN TALENT

Lost key to Gearlock and managed to reverse car 16 kilometres from TUT to Huis Boekenhout

When probed about his favourite sports team Johan mentions that he has a TV for ornamental value and you'd rather find him on a motorbike, spending time with his family in the outdoors or wrestling a 1000-pound Blue Marlin.
